Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, altered the way I believe.

(Prof. Loyce Runolfsson Jr.)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Michele E Gwynn (illustrator). Language: English. Brand new Book. When Josie Jackson looks in the mirror, she doesn't recognize the stranger staring back at her. Her youthful vibrancy is gone, she can't fathom why her sexy husband has any interest in her. With her and Mattie Jackson's fifteenth wedding anniversary coming up, Josie discovers that her husband has a business trip planned for that same week. She's crushed, and has to face the fact that their marriage is in a rut, and she needs to do something to pull them both out of it. When Josie finds out that his business trip is in Paris, France, the place where they honeymooned, and overhears a conversation, insinuating that he is having an affair, Josie loses it. Immediately, she begins plotting wicked ways to make Mattie pay dearly for ruining everything they've built together. Feeling betrayed, she must decide whether to fight for her man or take him for everything he's got! With the help of her cousin, Caleb, Josie comes up with a plan. With his own secret to hide, one which he fears may cause him to lose Josie forever, poor Mattie doesn't even see it coming, and knowing his wife's fiery temper, he doesn't stand a chance!.
